

THE ARCHITECTS' ASSOCIATION OF NEW BRUNSWICK
ANNOUNCE
A CALL FOR SUBMISSIONS

The Architects' Association of New Brunswick is pleased to invite all New Brunswick architects to participate in the competition for the **2011 Lieutenant Governor's Award of Excellence in Architecture**. This tri-annual competition fulfills a critical role in recognizing and promoting excellence in the New Brunswick built environment.

DEADLINE FOR SUBMISSIONS: THURSDAY, MAY 19TH, 2011

OBJECTIVE

The objective of the *Lieutenant Governor Award of Excellence in Architecture* is to recognize and celebrate outstanding architectural design in recently completed projects by New Brunswick Architects.

This award will provide:

- Recognition of outstanding architectural design by New Brunswick Architects.
- An opportunity to celebrate the achievements of New Brunswick Architects.
- An opportunity to increase public understanding of the context and fabric of New Brunswick architecture and to increase public understanding of how architecture reflects the society that builds it.
- An opportunity to highlight the social, cultural, historical and economic forces expressed in New Brunswick's built environment.
- An opportunity to foster the value of architecture in our daily lives.

ELIGIBILITY

Projects built in New Brunswick, which were completed between May 1, 2006 and April 30, 2011, for which New Brunswick architects were the lead design architects, registered with the AANB at the time of project completion, are eligible to be submitted. Any built work may be submitted including new construction, renovation, restoration, and additions to existing buildings; urban, rural or suburban works, of any project size.

AWARDS

This competition will result in the awarding of one Lieutenant Governor's Award of Excellence in Architecture and up to three Awards of Merit in Architecture.

The projects will be judged on their own merits, there are no categories of project types.

PROCEDURES FOR ENTRY

3. PRESENTATION FORMAT

A. PRESENTATION LAYOUT:

The submission shall be as follows: a maximum of three {3}, A1 {841 x 594 mm} size presentation boards. Boards will be displayed in a portrait format, with the 594 mm mounted horizontally and the 841 mm dimension mounted vertically.

Boards are to be foam core, 12.5 mm thick. All material is to be spray mounted to the boards.

The expectation is that the boards will be of a professional quality.

B. ANONYMITY:

The architects name or any company or firm identifying markings must not appear on the submission except on the Project Credit Sheet.

Entries will be judged on an anonymous basis.

C. PROJECT CREDIT SHEET:

A Project Credit Sheet is to be affixed to the back of each presentation board. The Project Credit Sheet is included as an Appendix.

The number of the board {1-3} shall be noted on the Project Credit Sheet to ensure the correct sequence of boards for mounting purposes.

D. PROJECT NAME:

Only the Project Name and project location are to be identified on the front of the presentation boards.

E. PRESENTATION CONTENT:

Board Number 1 shall contain a short statement outlining the objectives and significance of the project, how the project demonstrates a response to the objectives and which summarizes for the jury why the project is considered worthy of recognition.

The remaining space on board #1 and the other two boards may be used for digital images, electronic photographs, drawings, renderings, and text, in colour, black and white or combination, at the discretion of the entrant to fully describe the submission with special consideration for the artistic excellence of the design, including such elements as conceptual clarity, design principles, detailing, creativity, innovation and uniqueness.

Do not send originals.

Jury members will consider the quality of the project presentation as well as the project itself in their deliberations.

Do not include any fold out inserts, attachments or projections on the presentation boards.
