AANB MANDATORY CONTINUING EDUCATION (CE) PROGRAM

OVERVIEW:

BACKGROUND

The mandatory Continuing Education Program (the “**Program**”) for members of the AANB was implemented on January 1, 2002 with the commencement of Cycle One. Since July 1, 2012 the AANB has a two-year Continuing Education Cycle ending June 30.

For the purposes of this document, a Cycle is not less than two years, during which members are required to obtain continuing education hours.

REPORTING

The AANB has a web-based CE reporting system. Upon approval of an application for membership, applicants are provided with a Username and Password to access the web-based system.

UPLOADING CE ACTIVITIES

Members are required to upload their CE activities to the web-based system. In addition to completing all fields, it is mandatory that members upload evidence of participation (i.e. certificate of attendance, receipt of registration, etc.).

Members should note that:

- Activities must fall into the categories of learning as noted on the website
- Each category has a maximum number of hours permitted in that Category per Cycle.

CURRENT CE PROGRAM

Cycle Ten: July 1, 2020 – June 30, 2022

Required Hours

25 CORE or STRUCTURED learning hours

45 SELF-DIRECTED or NON-STRUCTURED learning hours

PRIMARY CE REPORTING JURISDICTION

Every Canadian jurisdiction has a mandatory CE program. Registered members of the AANB are only required to meet the requirements of their selected jurisdiction to satisfy the requirements of the AANB.

The AANB will contact the jurisdiction identified on the applicants completed “Primary Continuing Education Reporting Jurisdiction Declaration Form” at the end of the Cycle to ensure that they are compliant as it pertains to CE.
