About the World Design Summit

The **World Design Summit – Montréal 2017 (WDSO)**, of which the general theme is "*Changing the World through Design*", is a world-class event that will assemble in Montréal's *Palais des congrès* **from October 16 to 25, 2017; 300** partners, **2000** speakers, **25** keynotes, **7000** professionals, and enthusiasts from all over the world.

Architects, designers and urban planners will collaboratively endeavour to develop and share innovative and practical solutions to the social, spatial, energy and environmental challenges of the 21st century, and to present them to private and public-sector decision-makers and the public at large.
