INSTRUCTIONS FOR COMPLETING APPLICATION**GENERAL**

The 'Application for Membership' is used by all applicants for registration by the Architects' Association of New Brunswick.

The form must be filled out accurately, neatly and completely. Use 'N/A' for those sections which do not apply in your situation, and attach additional sheets when necessary to explain complex or unusual situations. (Do not attach a resume in lieu of completing the form). The form should be typed or neatly printed using ink so that clear reproductions can be made.

Return one original copy to the Association.

A. REGISTRATION HISTORY

Indicate registration status in all jurisdictions where you are currently or have been previously registered. For each registration, include your registration number and the date you were initially registered. Note any registration not currently in good standing and the reason for it no longer being in good standing. Include foreign registrations and licenses for any other profession held. Attach additional sheets as necessary.

B. EDUCATION HISTORY

Education qualifications must be verified. Please indicate your Canadian Architectural Certification Board (formerly RAIC Certification Board) Number. Evidence of certification must be provided.

List the colleges and universities you have attended. Designate those from which you received your architectural education. Those who have no college education should list the date of graduation from high school (or high school equivalent) and the name of the school. An applicant who did not complete a degree from a college or university or recognized equivalent (Syllabus of Studies) should show major field(s) of study, i.e. architecture, etc. and the number of credit hours (semester or quarter) attained.

C. EXPERIENCE HISTORY

All applicants must provide complete information on all of their employment experience. Accuracy of dates and the types of employment is very important. Employment with organizations that are not architectural firms and employment not directly related to architectural work must be included so that no gaps appear in the chronological listing. Note periods of unemployment, where they occur rather than leaving a period of time without explanation.

Differentiate carefully between periods of part-time and full-time employment.

Note: Part-time means less than 35 hours/week. Seasonal employment should be listed as full time if more than 35 hours/week.

List complete current addresses for all employers. If a former employer is deceased, the firm has dissolved, or is now operating under a different name, list a current address of a reference source (preferably an architect) who can verify the employment history with the firm.

Note: Intern Architects applying for registration are required only to list employers. Complete employment history is accepted through submission of the Canadian Experience Record Book/Internship in Architecture Program Manual and evidence of approved completion of the work experience requirement.

D. EXAMINATION HISTORY AND/OR CONFIRMATION OF REGISTRATIONS/LICENSES

Indicate the examinations(s) you have completed in the appropriate section of the application form.

E. ARCHITECT REFERENCES

Three architect references are required for all applications. Present employers, fellow employees, present partners or relatives may not be used for these references. The applicant is to complete Side 'A' and forward it to the three references noted for completion of Side 'B'.

F. FEES

Membership Fees for the period of January 1st - December 31st have been established at \$851.00 (\$740.00 + \$111.00 HST). This amount must accompany your application for membership.
